

343632 Clear Tube

Alemite's clear grease gun tube lets you see exactly what type of grease is in the cartridge, providing confidence that you are using the specified lubricant for the job. Other clear tube benefits:

- Avoids wasting costly or specialty greases
- Protects equipment from damage caused by wrong grease
- Delivers level of safety in the food and beverage industry
- Prevents cross-contamination of grease
- High-strength polycarbonate body
- Aircraft aluminum endcaps
- Easily replaces existing steel tubes

Heavy-Duty Clear Grease Gun Tube

Provides Positive Identification of Grease Type

500CLR
